

## **Establishment of CELL “ Human Values and Transformative Learning” at DIET,DaryaGanj :**

The Directorate of Education, GNCT of Delhi has decided for constitution of the “Cell for Human Values and Transformative Learning”.

This Cell is functional at DIET Darya Ganj, Ansari Road, New Delhi and is conducting training programme and workshops for the establishment of Values in Schools, Educational Institutional System and all its Stakeholders covering whole Delhi .

On evaluation it was felt that the Values are detoning, so there is a need to inculcate these values. This cell will also organize seminar and training programme from time to time for the Teachers of Delhi state and is coordinating these different activities from DIET, Darya Ganj.

The main aim for the establishment of cell is to prepare Global Citizens through Education so as to develop higher order values in all the stakeholders. So the Cell was though established in SCERT, VarunMarg, Defence Colony but the main coordinating center is DIET, Darya Ganj which is also providing the Infrastructural and other forms of help to the cell.
